"My first mentor of my job shadowing experience was Michael Smith, Chief Executive Officer of HSBC. Though this half-day experience is probably not enough to know exactly what the roles and responsibilities of a real-life CEO are, but this experience is **undoubtedly influential on my attitude towards people, my career and my life...**"

Andrea Wong (2007 F.7 HTC Graduate,  
CEO of The Year 2005/2006, Junior Achievement HK)
